

# Environmentally-Aware Washing Line Timer

TIMELINE is the next generation SMART device which helps you keep your mind off your clothes when they are drying!

Soft, fresh clothes every time

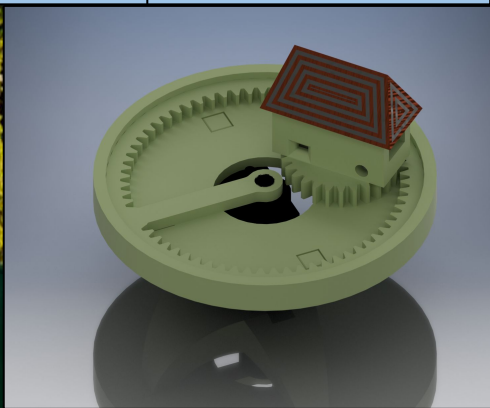

Save energy - no need for a dryer!

Bleach your whites with sunlight

Daily fresh air and exercise

Accurate time to dry

Measure temperature, rain and wind

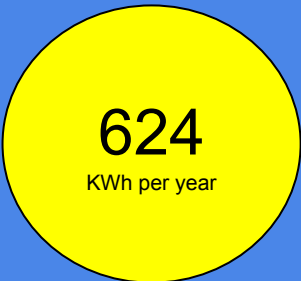

Get alerted to rain and storms

Snap onto your existing clothes line

Save Energy

Save Money

Don't take it from us

"Completely changed the way I do laundry!"
